- BSc at Merchant Marine Academy of Syros (AEN)

Sep 2015 – June 2019

Projects

- Dr.Builder

This is the group project developed for Peoplecert's Coding Bootcamp group assignment. The app intends to replicate a site where the user can browse premade PC builds or create their own and post it on the website. Technologies used: ASP.NET Framework 5, Entity Framework (Code first migrations), SQL Server

- Password Generator

Generates random passwords using letters, numbers and symbols (depending what user want to use)
